Style : Expressionism / Tech. : Acrylic on canvas

Theme : Dream / Category : Painting

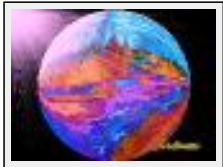

Year : 2007

Desc. : The human body is a sacred temple in which one the spirit lives which has an entirely independent intelligence But the Man is also a material and this material darkens it and prevents it from arriving at degrees of vibration. I suppose that the body will be a statue or a machine of Earth without its hands, the hands which are modeling the material like the spirit.
