Year : 2009

Desc. : We are inside a passenger car on a railroad during the golden age of train travel. We see two women and a girl sitting on either side of a little girl. On her left is her mother and on her right is a railroad hostess. They are trying to point out to the child all of the wonderful things she will see when they reach their destination as well as the things she can do while riding on the train. The child is having none of it and would rather be anywhere but where she is.
